YOUR TECHNOLOGY PARTNER BENEFITS

Technical Helpline

From process to product troubleshooting, scientific or technical enquiries, our world renowned experts are here to help with independent tailored advice.

Information Centre

Your one stop shop for specialised ceramics and materials information, providing you with a steady stream of information to help you to stay up-to-date with the latest scientific and technical knowledge. Includes searches conducted by our Information Specialists, personalised alerts to your inbox, a document delivery service and 24/7 access to our World Ceramics Abstracts database.

Information Allowance

Covers any copyright fees as per UK Copyright Law, and speeds up your request with us.

Service Allowance

A banked percentage of your investment fee to use towards Lucideon services, including testing, consultancy or projects, to save you both time and money.

Service Concessions

Savings on your testing requirements, helping you run your business with maximum efficiency and profitability.

Network Events

From sector-specific committee meetings to our expert-led Technology Forums, our events will allow you to network, do business, and ensure that you are at the leading edge of current thinking.
